Individual scoring:
Each player plays a match against the other players. Two (2) points for each match won; one (1) point for each match halved; zero (0) point for a loss.

Ties:
In case of a tie between two or more teams, the team with the highest total points **between the tied teams** shall be the winner. If the teams are still tied, the point results of the matches between members of the tied teams shall be compared on a sudden death basis starting with the 1st Alternate match, followed by the 2nd Alternate match (unless the alternate was moved to the starting lineup), then the lowest handicap players until the tie is broken. If a 2nd Alternate was moved to the starting lineup the tie-breaker bypasses the 2nd Alternate and goes directly to the lowest handicap players until the tie is broken.
