

## **2020 Inter-Sectional Competitions**

Each season, golf members from all over the area represent their clubs in a fun and friendly Match-Play competition called Inter-Sectionals. The Landings will field 6 teams in total, which span various age and gender categories, giving our members a number of opportunities to proudly represent us. This year, our members will get to play some wonderful local golf courses listed below. ## **Inter-Sectional Qualifying**

**In order to “make” one of our Inter-Sectional teams, members must participate in a minimum of 3 qualifying rounds designed to field the best team possible. There will be 4 Inter-Sectional Qualifying rounds, and along with our Club Championship, means 6 rounds in total for members to qualify. The players with the lowest average of their best 3 qualifying scores will make their respective teams.**

**The qualifying dates are as follows. Remember that you only need play in 3 including Club Championship, but the more you play in, the more opportunity you have of discarding higher scores. Each qualifier costs \$5, which goes towards team shirts for the players. Sign-ups are on the bulletin board in the pro shop.**
